

SAFETY DATA S GHS: According to 2015/830/	EU
<i>Code Number Version 8 Revised 3/00</i>	FM76776 6/2020 10:07:30 AM
Section 1. Identification	on of the substance/mixture and of the company/undertaking
1.1 Product I dentifier	
Product Name	BOBBY
Code Number	FM76776
	INCI: Parfum
REACH Reg No	Not registered
1.2 Relevant identified	d uses of the substance or mixture and uses advised against
Concentrated material	for manufacturing purposes only
1.3 Details of the supp	olier of the safety data sheet
	Australian Botanical Products Ltd
	39 Melverton Drive, Hallam
	Victoria, 3803 Australia
	ABN: 45006782529
Telephone Number	Tel No. +613 97094800
Email Address	info@abp.com.au
1.4 Emergency Tel No	Emergency No. +61 438196124
Section 2. Hazard Iden	tification
2.1 Classification of th	ne substance or mixture
FL 4	Flammable liquid, category 4
SCI 2	Skin corrosion/irritation, category 2
SS 1B	Skin sensitisation, category 1B
EDI 2A	Eye damage/irritation, category 2A
EH C1	Aquatic hazard, chronic, category 1

IS: According to 2015/8	A SHEET Printed on Tuesday, 9 June 20 330/EU
Code Number Version 8 Revised 3	FM76776 8/06/2020 10:07:30 AM
2.2 Label elements GHS classification Hazard Pictograr	according to Regulation (EC) No 1272/2008
Signal Word	Warning
Hazard Statemer	nts
H227	Combustible liquid
H315	Causes skin irritation
H317	May cause an allergic skin reaction
H319	Causes serious eye irritation
H410	Very toxic to aquatic life with long lasting effects
Precautionary St	atements
P210	Keep away from heat, hot surfaces, sparks, open flames and other ignnition sources. No smoking.
P261	Avoid breathing fumes.
P264	Wash hands thoroughly after handling
P273	Avoid release to the environment.
P280	Wear protective gloves and eye protection
P302+P352	IF ON SKIN: Wash with plenty of water.
P305+P351+P338	IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
P333+P313	If skin irritation or rash occurs: Get medical advice.
P337+P313	If eye irritation persists: Get medical attention.
P362+P364	Take off all contaminated clothing and wash it before reuse.
P403+P235	Store in a well-ventilated place. Keep cool.

Code Number FM76776

Version 8 Revised 3/06/2020 10:07:30 AM

P501

Dispose of contents and container in accordance with local regulation.

2.3 Other Hazards

Contains Citral, Citronellol, Coumarin, Geraniol, Limonene and Linalool which may produce an allergic reaction

No further information available at this time

Section 3. Composition / information on ingredients Any percentage values listed here for hazardous components are for illustrative purposes only

3.2 Mixtures

Complex mixture of ingredients

Hazardous components

Refer to section 16 for the wording of listed classification and hazard statement codes

Section 4. First Aid measures

Take phrases in sections 2 into account

4.1 Description of first aid measures

After inhalation

No adverse effects anticipated if inhaled. First aid is not generally required. If fumes or combustion products are inhaled, remove to fresh uncontaminated air, lay patient on back until breathing returns to normal. Seek medical advice if necessary.

After skin contact

Irritating to skin, may cause an allergic skin reaction. Remove contaminated clothing and wash thoroughly with soap and water. Seek medical advice if irritation persists or there are any signs of tissue damage.

After eye contact

Highly irritating to the eyes. Flush with plenty of water for 15 minutes including under eyelid and seek medical advice if necessary. Removal of contact lenses after an eye injury should only be undertaken by skilled personnel.

The information contained herein is true and accurate to the best of our knowledge. All information is valid until revisions are issued. However, the accuracy of this information cannot be guaranteed by the company as the data has been obtained from different sources. We will not, therefore, accept liability for misuse of this data resulting in damage or loss.

SAFETY	DATA	SHEET
• · · · – · ·		•••==•

Printed on Tuesday, 9 June 2020

GHS: According to 2015/830/EU
Code Number FM767

Code Number FM76776 Version 8 Revised 3/06/2020 10:07:30 AM

After ingestion

No known adverse effects anticipated if swallowed. As a matter of course; Do NOT induce vomiting. Position to avoid aspiration should vomiting occur. Wash mouth with plenty of water and seek medical advice if necessary.

- 4.2 Most important symptoms and effects, both acute and delayed
- Take phases in sections 2 and 11 into account. No further information available at this time.
- 4.3 Indication of immediate medical attention and special treatment needed Treat symptomatically.

Section 5. Fire-fighting measures

5.1 Extinguishing Media

Carbon dioxide, foam or dry powder. DO NOT USE A DIRECT WATER JET.

- 5.2 Special hazards arising from the substance or mixture May produce Carbon dioxide and unidentified organic compounds.
- 5.3 Advice for fire-fighters

Wear Self-Contained Breathing Apparatus (S.C.B.A.) and full protective clothing to minimise skin exposure. Avoid inhalation of vapours. Keep containers cool with water spray. Do not use direct water jet on burning material. Do not allow spillage of fire to enter drains or watercourses.

HazChem Code • 3Z

Section 6. Accidental release measures

- 6.1 Personal precautions, protective equipment and emergency procedures Remove all sources of ignition. Avoid inhalation, skin and eye contact. Ensure proper ventilation. Evacuate all unnecessary personnel. If possible contain the spill.
- 6.2 Environmental precautions

Do not discharge directly into drains or the soil. Keep away from surface and ground water

6.3 Methods and material for containment and cleaning up

Soak up spillage with sand or other inert absorbant material such as earth or vermiculite; transfer used material to a suitable waste container and dispose in accordance with regulations. If large quantities of this material enter the waterways, contact the EPA or your local Waste Management Group.

6.4 Reference to other sections

Refer to information in Sections 7, 8 and 13

The information contained herein is true and accurate to the best of our knowledge. All information is valid until revisions are issued. However, the accuracy of this information cannot be guaranteed by the company as the data has been obtained from different sources. We will not, therefore, accept liability for misuse of this data resulting in damage or loss.

Section 7. Handling and storage

7.1 Precautions for safe handling

Maintain good occupational and personal hygiene. Avoid inhalation and contact with skin and eyes. Wear protective clothing and use safety glasses. Keep in original container or an alternative made from a compatible material.

7.2 Conditions for safe storage, including any incompatibilities

Store in tightly sealed original containers away from ignition sources and in a cool place. Avoid contact with incompatible materials that support combustion, such as strong oxidising agents.

7.3 Specific end use(s)

No further information available

Section 8. Exposure controls / personal protection

8.1 Control Parameters

No exposure standards have been established for this material by Work safe Australia. However, as a matter of course, avoid repeated or prolonged contact with the skin. Keep out of eyes. Do not ingest. Use with good ventilation, do not breathe vapour. Sensitive individuals may develop an allergic response.

8.2 Exposure controls

Engineering controls

Natural ventilation should be sufficient, however where vapours of mists are generated the use of a grounded mechanical exhaust ventilation system is recommended.

Individual protection measures

Refer to Section 5 for specific fire/chemical personal protective equipment advice. Always wash routinely before breaks, meals and at the end of the work period.

Eye/face protection

Use splash-proof safety glasses and face shield where splashing is possible.

Hand protection

Wear chemically resistant disposable gloves.

Other skin protection

Wear overalls. Depending on conditions in the workplace, additional body protection should be considered. Always wash routinely before breaks, meals and at the end of the work period.

Respiratory protection

Not generally required. Use inhalation protection in poorly ventilated areas

The information contained herein is true and accurate to the best of our knowledge. All information is valid until revisions are issued. However, the accuracy of this information cannot be guaranteed by the company as the data has been obtained from different sources. We will not, therefore, accept liability for misuse of this data resulting in damage or loss.
